A Dance With Dragons (Song of Ice and Fire) Description :A Dance With Dragons (Song of Ice & Fire)In the aftermath of a colossal battle, the future of the Seven Kingdoms hangs in the balance once again—beset by newly emerging threats from every direction. In the east, Daenerys Targaryen, the last scion of House Targaryen, rules with her three dragons as queen of a city built on dust and death. But Daenerys has three times three thousand enemies, and many have set out to find her. Yet, as they gather, one young man embarks upon his own quest for the queen, with an entirely different goal in mind. To the north lies the mammoth Wall of ice and stone—a structure only as strong as those guarding it. A Feast for Crows (Song of Ice & Fire)After centuries of bitter strife, the seven powers dividing the land have beaten one another into an uneasy truce. But it's not long before the survivors, outlaws, renegades, and carrion eaters of the Seven Kingdoms gather. Now, as the human crows assemble over a banquet of ashes, daring new plots and dangerous new alliances are formed, while surprising faces—some familiar, others only just appearing—emerge from an ominous twilight of past struggles and chaos to take up the challenges of the terrible times ahead. Nobles and commoners, soldiers and sorcerers, assassins and sages, are coming together to stake their fortunes...and their lives. For at a feast for crows, many are the guests—but only a few are the survivors. A Storm of Swords: Blood and Gold: Part 2 (Song of Ice & Fire) & A Storm of Swords: Steel and Snow: Part 1 (Song of Ice & Fire)Split into two books for the paperback, the third volume in George R.R. Martin's superb and highly acclaimed epic fantasy A Song of Ice and Fire continues the richest, most exotic and mesmerising saga since The Lord of the Rings. The Seven Kingdoms are divided by revolt and blood feud, and winter approaches like an angry beast. Beyond the Northern borders, wildlings leave their villages to gather in the ice and stone wasteland of the Frostfangs. From there, the renegade Brother Mance Rayder will lead them South towards the Wall. Robb Stark wears his new-forged crown in the Kingdom of the North, but his defences are ranged against attack from the South, the land of House Stark's enemies the Lannisters. His sisters are trapped there, dead or likely yet to die, at the whim of the Lannister boy-king Joffrey or his depraved mother Cersei, regent of the Iron Throne. A Clash of Kings (Song of Ice & Fire)A comet the color of blood and flame cuts across the sky. And from the ancient citadel of Dragonstone, the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. It is a tale in which brother plots against brother and the dead rise to walk in the night. Here a princess masquerades as an orphan boy; a knight of the mind prepares a poison for a treacherous sorceress; and wild men descend from the Mountains of the Moon to ravage the countryside. Against a backdrop of incest and fratricide, alchemy and murder, victory may go to the men and women possessed of the coldest steel...and the coldest hearts. A Game of Thrones (Song of Ice & Fire)In a land where summers can last decades and winters a lifetime, trouble is brewing. The cold is returning, and in the frozen wastes to the north of Winterfell, sinister and supernatural forces are massing beyond the kingdom's protective Wall. At the center of the conflict lie the Starks of Winterfell, a family as harsh and unyielding as the land they were born to. Sweeping from a land of brutal cold to a distant summertime kingdom of epicurean plenty, here is a tale of lords and ladies, soldiers and sorcerers, assassins and bastards, who come together in a time of grim omens. Amid plots and counterplots, tragedy and betrayal, victory and terror, the fate of the Starks, their allies, and their enemies hangs perilously in the balance, as each endeavours to win that deadliest of conflicts: the game of thrones. CCO/Alexas Fotos/Pixabay Some games are timeless for a reason. Many of the best games bring people together like nothing else, transcending boundaries of age, sex and anything else that typically divides. Fun group games for kids and adults are a great way to bring friends and family together for any occasion. Here are 10 reasons games are so good at bringing people together.Teach Each Other New ThingsJust because your friends and family don't know how to play your favorite game doesn't mean you can't play it together. Teaching someone else how to play a game can be a valuable bonding experience, whether they're older or younger than you are.Try Out New Relationship DynamicsYoung kids often love teaching adults how to play new games, but there are other ways games change relationship dynamics. A one-player video game, for example, can be turned into a two-player exercise in trust if the player with the controller relies on the other to guide him or her through the virtual world.Reflect on Fond MemoriesTrivia games for older relatives can be a touchstone for reflecting on memories. The same is true for traditional party games. Scavenger hunt games also encourage a sense of nostalgia, evoking memories of childhood and an accompanying sense of childlike wonder and fun.Create New MemoriesRemembering the past is always fun, but the best games allow you to create brand new memories as a group. Fun games for workplace colleagues are an excellent way to foster a sense of community with fun memories, for example.Encourage HumorNot all groups are naturally inclined to have a laugh together. Serious Bible study groups, for example, may not seem a place for fun and games, but Christian games for adults — especially those with an emphasis on comedy — can greatly enhance the cohesion of such groups. And a strong sense of community and trust feeds directly back into the efficiency of the meetings.Work as a TeamFun games for youth groups, party games for ladies' groups and dress-up games for girls are just a few ways to dissolve tension among internally competitive groups of people. Working as a team, either as a whole group or as subdivisions of that group, naturally brings people closer together.Collective Concentration on a Shared GoalCooperative (non-competitive) puzzle games promote the concept of a shared goal as a way to bring people together. Examples include jigsaw puzzles, crosswords or even word searches. You could also stage a creative singalong.Structure InteractionPeople love to come together, but sometimes they lack a reason to do so. Games are one of the best ways to structure social interaction, from indoor party games for adults to epic games like Risk or Dungeons & Dragons.Relieve Stress and Break the IceWhen times get tough and tensions threaten to split people apart, it may be time to play some fun indoor games for adults. In many cases, players loosen up and give in to the fun.Put Everyone on a Level Playing FieldForget boys' games and girls' games, kids' games and adult games, video games and complicated card games. When you go for a game that's new for everyone involved, everyone starts on a level playing field. This is great for bonding and trust, as ideally no single player has an advantage over any other.
